Christmas Break

This is a friendly league and the whole idea is for new players to gain experience or for players that are struggling to get a game in the more serious leagues.

NO premier team players or one that has played in the premier in the past two years. The players for this league should be experienced in competitive bowling but as this is a friendly event, we need people of more or less the same abilities, to give everyone a fair and enjoyable game.

Jack off two away.

Start time 7.00pm or earlier if your opposition is ready - finish 9.45pm even if the game has not finished. Roll-ups are optional. Tea/coffee break after 9 ends but keep it short if you think you will not finish on time.

Grey/whites or club colours - teams should wear the same. All teams should have the **same stickers on their woods**
