Christmas Break

This is a friendly league and the whole idea is for new players to gain experience or for players that are struggling to get a game in the more serious leagues.

NO premier team players or one that has played in the premier in the past three years. Only A team players in their **first** year in the A team. The players for this league should be experienced in competitive bowling but as this is a friendly event, we need people of more or less the same abilities, to give everyone a fair and enjoyable game.

Jack off two away.

Start time 7.00pm or earlier if your opposition is ready - finish 9.45pm even if the game has not finished. Roll-ups are optional. Tea/coffee break after 9 ends but keep it short if you think you will not finish on time.

Grey/whites or club colours - teams should wear the same. All teams should have the **same stickers on their woods**
