

To all members

Yesterday, Ewhurst hosted the annual Shab Knockout Cup for the third time.

The day started off with Albury playing Woking Park Dragons, and Ewhurst playing Woking Park Vikings in the Semi Finals. In the first Semi, the game was equal for a while, and then Albury edged ahead and had a good win in the end.

In the second, Ewhurst had a poor start up until half time, and then started to make gains on almost every end, until the last couple of ends when the score was level. What an amazing come back for the Ewhurst players. It was very exciting on the last end, when the last shot bowl just kissed the opposition bowl on the jack, but didn't move it enough so we lost by just one shot.

In the Final after lunch, Albury won comprehensively, so were our Shab knockout Cup winners again, and very worthy winners too.
